- b. Who and what can help us move forward

VII. Date and Time for Next Meeting

- a. How often do we need to meet
- b. When and where will the next meeting take place

VIII. Adjourn

*The Louisiana Housing Finance Agency (LHFA) was created by the Louisiana Legislature to address the shortage of safe and affordable housing in Louisiana. Since 1980, LHFA has administered federal and state funds through programs designed to advance the development of energy efficient and affordable housing for low and moderate income families. Post-Katrina, LHFA has been a viable resource in the development of rental housing and homeownership finance opportunities.*
